U.S. ENVIRONMENTAL PROTECTION
 AGENCY,

Defendant.

Case No. 4:21-cv-09680- HSG

STIPULATION AND ORDER
 TO CONTINUE
 CASE MANAGEMENT
 CONFERENCE (as modified)

Pursuant to Civil Local Rule 6-1(a), the parties in this action hereby stipulate and respectfully request that the Court take off calendar the Case Management Conference set for March 22, 2022, ECF No. 13, and continue it to April 5, 2021, or for another date convenient to the Court. The reasons for this request follow:

Through the meet and confer process, the parties have been making significant progress in this case. Defendant has been producing the information Plaintiffs requested under the Freedom of Information Act, 5 U.S.C. § 552 et seq. Defendant anticipates producing additional information in the month of March 2022. After that production is made, Defendant will have released the majority of the

1 information Plaintiffs requested.

2 The parties met and conferred on February 24, 2022, and agreed that it would be more
3 productive to have a case management conference on April 5, 2022. By that time the parties will be in a
4 better position to appraise the Court on the progress made to date, and to decide whether the case can be
5 resolved without further litigation.

6 For the above stated reasons, the Parties respectfully request that the Court take off calendar the
7 Case Management Conference set for March 22, 2022, and continue it to April 5, 2022. If this request is
8 granted, the Parties will submit a Case Management Statement by March 29, 2022.

9 Respectfully submitted,
